Thanks for Grant Support!

This project is partially supported by a grant from Pennsylvania Performing Arts on Tour, developed and funded by the Vira I. Heinz Endowment; the William Penn Foundation; the Pennsylvania Council on the Arts, a state agency; and The Pew Charitable Trusts; and administered by Mid Atlantic Arts Foundation.

This program is funded in part by a Pennsylvania Partners in the Arts (PPA) grant. The Pennsylvania Partners in the Arts program is a partnership initiative between local arts organizations and the Pennsylvania Council on the Arts, a state agency. State government funding for the arts comes through an annual appropriation by Pennsylvania's General Assembly and from the National Endowment for the Arts, a federal agency. PPA is administered in this region by the Council for the Arts.

This program is also supported in part by the STAR Grant Program, developed by the Adams County Arts Council and funded by the Pennsylvania Council on the Arts, a state agency, the Adams County Commissioners, and the Borough of Gettysburg

We are grateful for the support of all the above programs.

We are also grateful for the support of the Robert C. Hoffman Charitable Endowment Trust.
